

**Amendment to the Drawings:**

Please delete the originally filed Figures 1 and 2 in their entirety and enter the new Figures of the Drawings 1 – 3 as shown on the enclosed Replacement Sheets 1/2 and 2/2 into the record.

**REMARKS**

In the Office Action dated September 3, 2008, the drawings are objected to. With regard to the drawing objection, Applicant had agreed to provide drawings showing the features of the "water bearing domestic appliance" and the "retainer." Applicant has now provided a new Figure 3 of drawings showing the features of the "water bearing domestic appliance" and the "retainer" and has amended the specification to mention new Figure 3 of the drawings.

**CONCLUSION**

In view of the above, entry of the present Amendment is respectfully requested. If the Examiner has any questions regarding this amendment, the Examiner is requested to contact the undersigned. If an extension of time for this paper is required, petition for extension is herewith made.

Respectfully submitted,

/James E. Howard/
